VirtualQ

Your **freedom**
in waiting

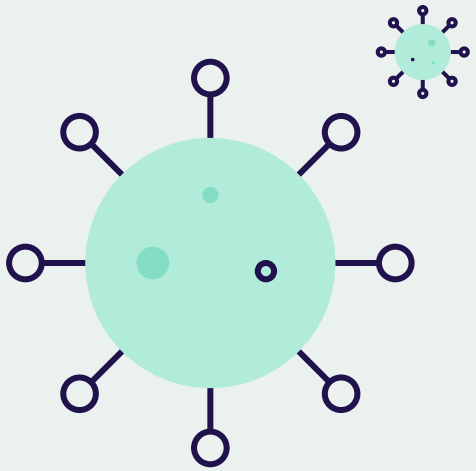
“The average wait time for see a physician is 40 minutes in the USA”

—MEDCITY

WHOA!

The average wait time for see a physician is 40 minutes in the USA

-MedCity



01. Problem

Too many patients crowding waiting area

02. Goal

To provide patients liberty to wait elsewhere without losing their spot in line

03. Solution

VirtualQ

Your freedom in waiting

04. How it works

(1) Check-in at reception with **personalized QR code** at appointment time

(2) Leave until receptionist notifies that your physician is ready in 5 minutes through **VirtualQ**
